

What is a Home Inspection?

Our Home Inspection empowers you to know the home's condition and gives you *exactly* what you need to address potential issues.

We provide you with data and analysis about the condition of the property, and recommendations across a dozen major categories –

Exterior, Roof, Structure, Water Control Systems, Insulation and Ventilation, Interior, Electrical, HVAC, Plumbing, Fuel Services, Appliances, and Environmental Systems.

When our inspector is finished, we send you the industry's *finest* inspection report. Visit www.usinspect.com/reports for show and tell.

Every day is a journey, and the journey itself is home.
